# ORDER ONLINE

## User Guide

www.gemultilin.com/onlinestore

### Log in with your Username & password:

1

If you need a username & password, apply for an account, under Customer Login or email us at: websales.pm@gem.com

### Choose your products

2

As a product is configured using the easy drop down menus, the price is shown based on your pricing schedule.

### View your shopping cart

3

The convenient shopping basket allows you to add multiple products to your order by clicking on 'Continue Shopping'.

### Submit your order

4

All of your customer profile detail (i.e. shipping, billing, address, etc.) is automatically attached.
